Gyan Jyot Vidyalaya, Surat	2019
10th	GSHSEB	Percentage: **58.17** / **100**	

PROJECTS

BharatSuraksha.com   20 Oct, 2023 - 20 Feb, 2024
Mentor: Prof.Khayati Kariya | **Team Size:** 3

Key Skills: HTML   CSS   Bootstrap   Javascript   Ajax   JQuery   MySQL

Crime Management System
Technology Stack: PHP, MySQL, HTML, CSS, JavaScript, Bootstrap

Developed a web-based Crime Management System to efficiently manage crime records, and streamline law enforcement operations. The system enables authorized personnel to register crimes, update case statuses, and retrieve reports based on various parameters.

Key Features:
User Authentication & Role Management – Secure login for administrators, police officers, and other authorized users.
Crime Reporting & Case Management – Allows users to register complaints, update case details, and track investigation progress.
Database Management – Utilized MySQL for structured storage of crime records, suspect details, and legal proceedings.
Reports & Analytics – Generated statistical reports on crime rates and trends for better law enforcement decision-making.
Responsive UI – Developed an intuitive user interface using Bootstrap for accessibility across devices

ACHIEVEMENTS

- GUINNESS WORLD RECORD ON PERFORMING A HEADSTAND

ASSESSMENTS / CERTIFICATIONS

ANDROID APPLICATION DEVELOPMENT-BASIC
Aggregate: 79 / 100
